Numerino 5412C/85/12 lime

Protection against theft with number code

The ABUS Cable Lock Numerino 5412 Color uses modern colours: purple, light green, blue and red rather than simple black add colour to the everyday cycling of the young and young-at-heart. This combination lock in the usual ABUS quality is versatile and a true lightweight.

The ABUS Cable Lock Numerino 5412 Color weighs just 350g and has a practical length of 85cm. That enables bikes to be locked not just to road signs, but also to each other or to the bike rack. You lock the bike with your individual number code so it is secured in situations with a low risk of theft and nobody can take it away easily.

Technologies

- 12 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle’s paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two-component number reels ensure long-term readability of the digits
- The number code can be set individually

Operation and use

- Great protection where there is a low risk of theft
- Recommended for protecting entry-level and children's bicycles

Tips

- Cable locks are characterised by good flexibility and relatively low weight
- The combination lock is great for use by several people
