SAFETY FOR CHILDREN

Safety, comfort and a stylish design - the Anuky 2.0 ACE children's helmet from ABUS is a winner for children and parents alike.

The designs are sure to make children's hearts beat faster but the helmet doesn't fall short in terms of comfort either. A simple size adjustment system with a fine adjustment function ensures that the helmet sits perfectly on the head. Three air inlets and outlets provide effective air circulation and help to keep the head cool. An integrated fly net also protects against insects. The soft padding can be removed and washed when needed.

Technologies

- Reflector Sticker: for better visibility in the dark
- Bug Mesh: keeps flies and other bugs off your head without messing with the helmet's ventilation
- Rear Light: Light on the back of the helmet for better visibility in road traffic
- Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
- Removable, washable pads: can be removed and washed by hand or replaced if necessary
- Snap buckle: the straps are fitted with a small ratchet for easy operation when opening and closing the chin buckle
- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS)

Anuky 2.0 ACE white heart M
