

GRANIT XPlus™ 540/160HB300 + bracket SH B

Seite 1 von 2

PLAY IT SAFE!

Very high security from ABUS: the GRANIT XPlus™ 540 U-lock offers reliable theft protection for your bike.

Specially hardened steel, power cell technology for protection against impact and attempts to force open the lock, XPlus cylinder for the greatest protection against tampering. The GRANIT XPlus™ 540 U-lock combines high-quality materials with state-of-the-art technology for protection against thieves. It is a first-class lock which protects your bike when the risk of theft is particularly high. Various quality seals demonstrate the value of the GRANIT XPlus™ 540 U-Lock: it is VdS approved and has received seals of approval from institutes in Russia, the Netherlands, Finland, Sweden, Denmark, Norway and the United Kingdom.

Technologies

- 13 mm hardened square shaft parabolic shackle
- ABUS power cell technology offers the highest level of protection against impacts and attempts to break open the lock
- The shackle, housing and the structural parts of the locking mechanism are made of specially hardened steel
- ABUS XPlus cylinder for the highest level of protection against tampering, e.g. picking
- Automatic keyhole cover to protect against dirt and corrosion

Operation and use

- Excellent protection for when there is a high risk of theft
- Recommended for securing expensive bicycles
- The longer the shackle, the easier it is to lock the bicycle to a fixed object
