

INDY mustard yellow M

YOUR RIDE COUNTS

The INDY combines purist aesthetics with maximum functionality - its archetypal design is the result of collaboration with renowned athletes from the dirt bike scene.

The helmet design embodies pure and raw passion for dirt bike rides: no superfluous details, no gimmicks - the INDY stands for maximum focus. With input from top athletes, the fit and functionality have been specially tailored to the requirements of the dirt bike community. The helmet offers maximum comfort thanks to years of experience in the helmet segment, optimised padding and an improved inner shape. This is how we ensure that "no-helmet feeling" - so that you can devote yourself to the flow without distraction.

Technologies

- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Open-pore Comfort Pads: soft, Velcro-fastened pad inserts that ensure a better fit of the helmet even with a smaller head shape thanks to the thicker padding – quick-drying, open-pore structure
- Removable, washable pads: can be removed and washed by hand or replaced if necessary
- Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged connection) for opening and closing
- Hard shell application: production process in which the outer, injection-moulded shell made of hard plastic is placed over the shock-absorbing rigid foam, thus ensuring a high level of robustness and protection
