

COLOURFUL AND SAFE

Basic protection against bicycle theft for all who like it simple and convenient.

The Spiral Cable Lock 1150 is the simple answer to a quick and uncomplicated theft protection of your bicycle. We recommend it primarily as basic protection for entry-level bicycles in regions or places with a low risk of theft. The Spiral Lock 1150 is also available in the bright and cool colours of green, pink and orange (Spiral Lock 1150 Kids) so that little ones can learn to take responsibility for their property at an early age.

Technologies

- 7 mm thick and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork

Operation and use

- Basic protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
- The combination lock is great for use by several people
- This lock is also available in bright children's colours
