Raydo Pro 1450/185 black + bracket TexKF

ILLUMINATED SAFETY

With this ABUS bicycle lock, you are never in the dark. With illuminated number roller.

The Spiral Cable Lock Raydo Pro 1450 from ABUS combines aesthetics and security in an ideal combination and is therefore an absolute trendsetter. Particularly noteworthy is the ABUS Press'n Shine function, which never leaves you in the dark again. The LED illumination of the number reel allows you to recognise the digits on the combination lock at any time of the day or night and to open it easily. The four-digit numerical code for the lock can be set individually and thus be particularly easy to remember. The Spiral Cable Lock Raydo Pro 1450 is ideal for use by several people.

Technologies

- 12 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Individually configurable code
- Press'n Shine function – LED-lit number reel for easy handling in the dark

Operation and use

- Good protection at low theft risk
- Ideal for securing entry-level bicycles

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The combination lock is great for use by several people
