

1150/120 Kids 3 per colour

VERY EASY AND SAFE

The 1150 Kids Spiral Cable Lock is a suitable combination lock for children and offers excellent basic protection where there is a low risk of theft.

Would you like to secure your children's bicycle properly or teach your children responsibility? Then the 1150 Kids Spiral Cable Lock is the ideal helper. The lock is available in the attractive and cool colours of green, pink and orange and is opened using a combination of numbers. This means that the bicycle lock can easily be used by several people. The colourful plastic coating protects the bicycle from scratches and damage to the paintwork.

Technologies

- 7 mm thick and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork

Operation and use

- Basic protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
- The combination lock is great for use by several people
- This lock is also available in the colours green, pink as well as orange
