100/80 NL

DURABLE AND RELIABLE

Our 100 hasp is protected against corrosion and therefore very durable.

Nowhere to hang your padlock, but still want to have your yard gate or shed secured against thieves? Then we recommend using our solid 100 hasp. It is robust, weatherproof, and holds a padlock securely and reliably. Thanks to the hardened steel staples and concealed pins and screws, the 100 hasp also has a high level of theft resistance.

Technologies

- Corrosion protected
- As of size 80 hardened staple
- Concealed hinge pin
- Hidden screws

Operation and use

- Designed for doors closing flush, i.e. door leaf and door frame are level
- 'DG' versions: with double joint – designed for doors not closing flush, i.e. door leaf and door frame are not level, and corner solutions
- To be used with a padlock

Variants

- Sizes: 60, 80 and 100 mm
- Double Link (DG): 80 and 100 mm
