

My first ABUS 1510/60 Princess Lillifee

Seite 1 von 2

Security for princesses!

The ABUS 1510 Princess Lillifee Chain Lock is a perfect choice for a child's first bicycle lock. The design of the chain lock appeals to all Princess Lillifee fans.

The 1510 Princess Lillifee Chain Lock comes with matching keys. Your child can attach one of the heart-shaped keys to straight to the keyring included with your purchase. Once at kindergarten or in the playground, the 1510 Princess Lillifee Chain Lock can be easily locked thanks to the automatic cylinder. This helps to teach little ones about security and protection against theft.

Technologies

- 4 mm thick rounded chain with textile sleeve to prevent damage to paintwork
- The chain is made of specially hardened steel
- Specially-made children's lock in a "Princess Lillifee" design
- Easy handling thanks to the automatic cylinder –it's child's play
- Both the lock and lock housing are ergonomically designed for children
- Two heart-shaped reversible keys and an exclusive key ring are included

Operation and use

- Basic protection against theft for children's bicycles

Tips

- The ABUS 1510 "Princess Lillifee" is best suited for use as a learning lock for children
