

My first ABUS 1510/60 Capt'n Sharky

Seite 1 von 2

Security is fun!

The ABUS 1510 Capt'n Sharky Chain Lock is ideal as a child's first bike lock. For one thing, using it is child's play; for another, the lock looks cool with its shark from the world of Capt'n Sharky, so children enjoy using it.

Your child will be happy to take responsibility for the ABUS 1510 Capt'n Sharky Chain Lock and its key. To go with the anchor key, there is also a keyring chain which children can wear on their trousers. Parents can take care of the spare key. That way, the ABUS 1510 Capt'n Sharky Chain Lock will provide years of enjoyment.

Technologies

- 4 mm round chain with textile sleeve to protect against damage to the paintwork
- The chain is made of special steel
- Children's lock in special "Capt'n Sharky" design
- The playful lock is very easy to use with its automatic cylinder
- Both the lock and lock body are ergonomically designed for children
- Two reversible keys in anchor design incl. extended keyring chain which can be attached to a purse or waistband

Operation and use

- Basic protection against theft for children's bikes

Tips

- The ABUS 1510 "Capt'n Sharky" is ideal as a training lock for children
