

VERSATILE USES

With the Booster 670 Shadow Spiral Cable Lock, you can secure your bike as well as various components.

Take advantage of the versatility of the ABUS Booster 670 Shadow Spiral Cable Lock. On the one hand, it offers effective protection against theft in regions with a low risk of theft. On the other hand, you can use it as a second lock to secure other bicycle components, such as the wheels or the bicycle basket. The 12 mm thick, high-quality spiral cable is super flexible and can be easily secured around a fixed object. The ABUS bicycle lock is conveniently and compactly folded around the seat post pipe.

Technologies

- 12 mm thick, high-quality and super flexible spiral cable
