SAFE AND STYLISH ON THE ROAD

The Hyban combines a particularly robust hard shell with an extremely large number of ventilation openings. This makes the Hyban the perfect everyday helmet for the city.

As a cyclist in the city, you have different demands on a helmet compared with racing cyclists or mountain bikers. A helmet for the city should be practical, comfortable, stylish, modern and above all, safe. The Hyban youth and adult helmet is incredibly comfortable to wear and can be easily adjusted to your own head size with the precision adjustment system.

Technologies

- ABS hard shell technology
- Zoom Evo Easy – fine adjustment system with a non-slip adjusting wheel
- Size adjustment by means of a half ring made from particularly hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Large, highly mounted and integrated LED tail light with 180° visibility
- Optimum ventilation for this helmet type with 13 air inlets and 5 air outlets
- Removable and washable padding with maximum wearing comfort
- Soft straps that are simple to fit thanks to practical strap adjusters
- Removable visor

Operation and use

- Adult and youth helmet for city, commuting, BMX, skating and everyday use
