

1900/55 Kids 3 per colour

BRIGHTLY-COLOURED BASIC PROTECTION FOR LITTLE CYCLISTS

In the Kids editions, the Cable Lock 1900 comes in four cool colours.

Be it in bright pink, blue, green or orange: the 1900 Kids Cable Lock secures children's bikes - or adults' bikes, of course - on short stop-offs or where the risk of theft is manageable. Simply wrap the 55cm-long,

6mm-thick steel cable around a frame bar and a lamppost, for example, and close the lock - this simple technique quite literally makes using the 1900 Kids Cable Lock child's play. That means that even the little ones learn how to secure their bikes from thieves.

Technologies

- 6 mm thick steel cable
- Plastic coating to prevent damage to the bicycle's paintwork

Operation and use

- Basic protection where there is a low theft risk
- Recommended for protecting entry-level and children's bicycles

Tips

- Cable locks are characterised by good flexibility and relatively low weight
 - This lock is also available in blue, red, silver and black
