TRUST THE PROFESSIONALS

Our GRANIT™ padlock is the lock for the highest security demands and made in Germany.

For protection of highly valuable objects at a high risk of theft, rely on our Granit 37/55! Halls, doors, gates, containers, or trucks can be reliably locked with this padlock. It meets the special requirements of insurance companies and is one of our high security locks. The lock from the GRANIT™ collection is manufactured according to the European standard EN 12320 and has a special coating for improved corrosion protection. Lock body and shackle made of hardened special steel, with an ABUS Plus disc cylinder inside. You can purchase this padlock with either a code card or security card. With the code card, the number on the card is all you need to make keys at a retailer. With the security card, you keep control: Original keys can only be duplicated by presenting the enclosed security card at a licensed ABUS dealer. Tip: In combination with the Hasp 130, the protection is even more reliable!

Technologies

- ABUS-Plus disc cylinder: highest protection against manipulation
