

TRUST THE PROFESSIONALS

Our Granit™ 37/60 padlock is the lock for the highest security requirements, made in Germany.

The Granit 37/60 padlock is one of our high security locks. For protection of highly valuable objects at a high risk of theft, rely on our Granit 37/60! Halls, doors, gates, containers, or trucks can be reliably locked with this padlock. The lock has a special coating for improved corrosion protection. Lock body and shackle are made of hardened special steel, with an ABUS Plus disc cylinder inside. You can purchase this padlock with either a code card or security card. With the code card, the number on the card is all you need to make keys at a retailer. With the security card, you keep control: Original keys can only be duplicated by presenting the enclosed security card at a licensed ABUS dealer. Tip: In combination with the Hasp 130, the protection is even more reliable.

Technologies

- ABUS-Plus disc cylinder: highest protection against manipulation
- Body and shackle made from hardened alloy steel
- Black Granit coating for even more corrosion resistance
- SZP: comes with security card to protect against unauthorized key duplicates
- 2 keys
- Shackle guard protects against attacks with tools
- Cylinder inserted from the top: optimum drill and pull resistance
- Shackle can be taken out

Operation and use

- To secure valuables/goods of great value or at a very high risk of theft
- Meets special requirements of insurance companies
- Certified and approved padlock
- To secure e.g. warehouses, industrial sites, factory gates, containers and lorries
- Ideal in combination with ABUS high-security hasp No. 130
