UP TO EIGHT KEYS

Our KeyGarage™ 727 mini key box can be mounted on the wall and holds up to eight keys.

You can protect your keys and smaller valuables from unauthorized access with this mini KeyGarage™. The key box with strong metal housing and a zinc die cast locking flap mounts on the wall and can be opened with a four-digit numerical code only by persons to whom you have given this code. Eight keys can be stowed inside. You can also place other small items, such as USB sticks, there. We recommend installing the KeyGarage™ 727 Mini in a protected outdoor area.
