

SOLID AND SECURE

We recommend our Silver Rock™ 5 padlock with a solid zinc lock body if you want to secure objects of moderate value.

Secure your doors, gates, cabinets, and toolboxes too with the ABUS Silver Rock. The solid zinc lock body makes the ABUS Silver Rock a real heavyweight and reliably secures what's important to you. Ideal for indoor use and protecting items of moderate value. The blue silicone protective frame on the lock protects the sensitive surfaces of doors, tool boxes, etc.

Technologies

- Heavy zinc body
- Hardened steel shackle with NANO PROTECT™ coating for increased protection against rust on shackle
- An innovative silicone protective bumper prevents scratches and damage
- The precision cylinder with paracentric key cuts protects against tampering
- Four standard sizes

Operation and use

- Security for items/goods of medium value or where there is an average risk of theft
- Suitable for securing doors, gates, cupboards, lockers, tool boxes, basement windows, sheds, switch boxes, cupboards, etc.

Variants

- Long shackle (HB): 40HB40, 40HB63, 50HB80
