

Diskus® 28

The Original Diskus® Design

Over 70 years ago the first ABUS Diskus® padlock was manufactured in Germany. Though many imitations have been produced since, this ABUS original cannot be beat. Still manufactured in Germany today, the ABUS Diskus® offers a superior quality, based on years of experience, precision tools, best materials, permanent quality controls and improvements. ABUS Diskus® padlocks are manufactured from stainless steel and are ideal for use when security and anti-corrosion features are required.

Key Features

- Original Diskus® design: 360° protection
- Diskus® Deep-Welding Technology provides maximum strength and pry resistance
- Shackle made from hardened steel
- Precision pin tumbler - extra plated for ultimate corrosion resistance
- Available keyed-different, keyed-alike and master-keyed
