

Combination 78

Extra Protection Against Manipulation

A solid product, the ABUS 78/50 combination padlock works great as a keyless option for securing belongings. Even better, these innovative combination padlocks also offers Key Control (KC) where users have the ability to override combination codes with a key! This make them ideal for schools, gyms/fitness centres and workplace lockers.

Key Features

- 3-dial combination
- Extra protection against manipulation
- Hardened steel body
- 78KC: Key Control - pin tumbler has master key function
