

ACCESSORIES

INTEGRAL HASP

A Perfect Pair

The D1141 Integral Hasp is the perfect accessory for our Diskus® padlocks. The D1141 has a **revolutionary design** which makes it ideal for use on double swing doors for vans, trucks, gates and vending machines. The hardened steel hasp is covered with a thick Zinc plating for extreme corrosion resistance.

3 1/8"

Specifications

8 7/16"
D1141/200
