

Weatherproof 83WP

Rust-Free Security

ABUS marine padlocks are especially designed for outdoor use. Rust-free security even in harsh weather conditions. Suitable weather-resistant materials such as stainless steel or appropriate plastic coatings protect the padlock effectively in outdoor areas.

Key Features

- Body and shackle made from hardened steel with NANO PROTECT™ plating
- High-precision pin tumbler with patented pinning window
- Patented "Z-bar" for 2-in-1 function: converts key-retaining to non-key-retaining and vice versa within seconds
- Durable weather cover with drainage system
- Can be keyed into many popular security keyways
