

# Safelex™ Universal Cable Lockout

## Universal Lockout

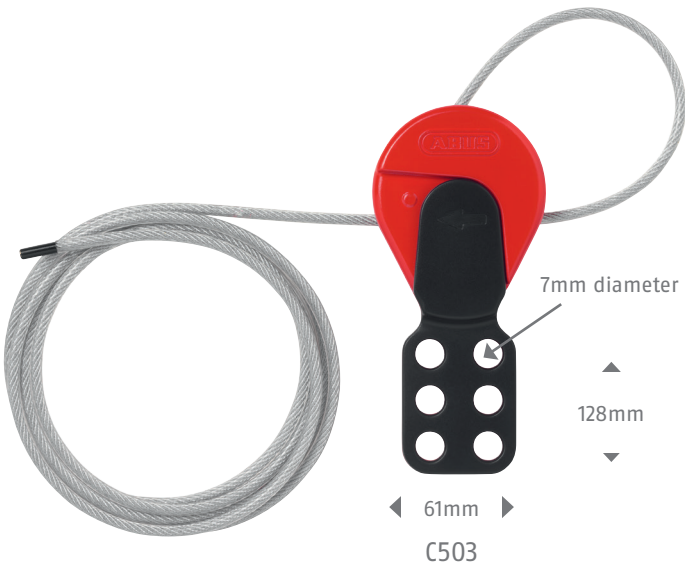

Thanks to the flexible cable which is available in four different lengths, the high-quality Safelex™ can be used universally for the lockout of various energy sources. The handling is easy and intuitive because the device is used just like the standard safety hasp with space for up to 6 padlocks. The cable gets clamped inside the body of the Safelex™, a completely secure and fast way of fixing.

## Key Features

- Intuitive design for self-explanatory application
- Patented grip mechanism for secure fixation of the cable
- Retightening possible at any time, even when locked
- Isolated, exchangeable metal cable in different lengths
- Holds up to 6 padlocks

## Areas of Application

- Universal lockout device for locking out different energy sources during maintenance.

Item	Cable Length	Cable Diameter	#Lock Holes	Shelf Pk Qty	Shelf Pk kg
