VdS Surface Mount Panic Alarm Button

ABUS
Security Tech Germany

If you press the panic button, you trigger a silent alarm to call for help. You can use the panic button as a standalone device or integrate it into the burglar alarm system. The button is tamper-monitored. For panic and tamper alarms, you have an NO or NC contact. The panic button is VSÖ and VdS C certified.

Technologies

• Simple surface mounting
• Inconspicuous, discreet alarm signalling
• Certified VdS Class C
