

Color Mini Outdoor Camera

Art.-Nr. TV7181

Seite 1 von 1

The Color Mini Outdoor Camera is the startup model in the world of underwater video surveillance. You can use the camera in the rain and even immerse it briefly in water. The Color Mini Outdoor Camera is equipped with a 1/4" Super HAD CCD from Sony. The CCD element is very light-sensitive (0.5 lux). With 330 TV lines, the color pictures are of very good quality. The focal length of the lens is 3.6 mm. The camera has AES (Automatic Electronic Shutter), BLC (Back Light Compensation), AGC (Automatic Gain Control) and AWB (Automatic White Balance). The robust, compact construction (IP66) guarantees trouble-free use in wet, adverse environmental conditions.

Technologies
