

# Duracell CR 2 3V CLX/ WLX

Art.-Nr. 502859

Seite 1 von 1

Full power over long periods of use. The right and powerful battery with long-term power is the ideal partner for wAppLoxx double knob cylinders. Many locking operations and long service life are therefore easy to achieve.

## Technologies

- Duracell lithium battery for use in all ABUS wAppLoxx double knob cylinders
- For use in all ABUS CodeLoxx cylinders
- Voltage: 3V
- Capacity: 850 mAh

## Technical data - Duracell CR 2 3V CLX/ WLX

DC voltage supply	3 V
Max. operating temperature	70 °C
Min. operating temperature	-40 °C
Net weight	0,0163 kg
