WLX Pro Plus Starter Kit Intrusion black

Art.-Nr. ACSE00035

ALL-INCLUSIVE FOR WAPPLOXX PRO PLUS (1 CYLINDER)

The electronic locking system wAppLoxx Pro Plus

Digital access control for companies: efficient and convenient, online-capable and radio-networked. Software management and app for 160 doors. If required, wAppLoxx Pro Plus can also be used to operate (arm/disarm) an intrusion alarm system (see Intrusion Starter Kit).

Complete package for a quick start
The Intrusion Black Starter Kit contains the wAppLoxx Pro Control Plus access control panel for up to 160 doors and 1,000 users. And a wAppLoxx Pro cylinder with outside knob in the color variant black.

Cylinder variant
The included cylinder is an electronic double knob cylinder with Mifare Desfire reader (in secure mode), standard size 30/30, with standard anti-drilling protection and intrusion control (with EMA functionality).

Extensive accessories
The scope of delivery includes all accessories (power supply unit, network cable, transponder, tool set) for the installation and commissioning of the access control system.

Technologies

- Complete package of the wAppLoxx Pro Plus system
- With wAppLoxx Pro cylinder Intrusion 30/30
- Suitable for controlling intrusion detection systems
- Including accessories such as power supply unit, network cable and transponder
- Ideal as an entry-level package for any wAppLoxx Pro Plus system
