## FOR OFF-ROAD ADVENTURES

An ideal off-road helmet for the first rides on uneven terrain. The MoTrip promises a high level of comfort for your rides over hill and dale.

The deep fit of the MTB helmet ensures the best possible protection for the head. To make off-road rides more comfortable, the MoTrip is also equipped with the MTB adjustment system. This enable both individual size adjustment and height adjustability using the adjustment wheel at the back of the head. This is a great advantage for ponytail wearers, as they can make room for a ponytail by adjusting the height. Go on off-road adventures with the lightweight and well ventilated bike helmet or alternatively wear it for commuting.

---

## Technologies

- **Ponytail Fit:** thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- **Reflector Sticker:** for better visibility in the dark
- **Height-adjustable peak:** the position of the peak can be adjusted thanks to locking positions to provide optimum protection from hanging branches and sunlight
- **Zoom™ Spin adjustment system:** rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- **Flap Divider™:** strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- **Comfort Pads:** soft padded inserts for optimum comfort, attached to the helmet with Velcro
- **Removable, washable pads:** can be removed and washed by hand or replaced if necessary

- Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged connection) for opening and closing
- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS) is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection

## Technical data - MoTrip midnight blue L

Finish	shiny
