Steel-O-Chain™ 4804C/110 black

STOP THIEVES IN THEIR TRACKS

ABUS is well-known for its consistently high quality and security. With this bike lock, you can count on high-quality materials.

Even if you think your bike is well-protected against theft, for example because you have left it in a cellar or a monitored area, you are still taking a risk. Thieves use every opportunity they can get. As a combination lock, the Steel-O-Chain™ 4804C Chain Lock offers ideal protection for entry-level bikes and children's bikes where there is a low risk of theft.

Technologies

- 4 mm thick square chain with textile sleeve that prevents damage to paintwork
- The chain is made of special hardened steel
- Individually settable code

Operation and use

- Basic protection at low theft risk
- Recommended for securing low-range bicycles and children’s bikes
