STRIKING SAFETY

How can a perfectly equipped, urban bicycle helmet with many practical features be improved? With a colour that expresses pure zest for life.

The Urban-I 2.0 Neon is the perfect helmet for everyone who wants to combine cycling with a fashionable appearance. Neon colours on helmets do not primarily improve visibility - but this is a positive side effect that increases safety.

With the bright, dazzling colours of the Urban-I 2.0 Neon, you bring the fashionable style of the 80s back to your bike. The striking colour combinations and colour-contrasting straps make a fashionable statement for all stylish bikers.

Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Zoom Evo Adult – fine adjustment system with a non-slip adjusting wheel
- Large, highly mounted and integrated LED tail light with 180° visibility
- Fidlock magnetic strap buckle
- Size adjustment by means of a half ring made from particularly hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Excellent ventilation with 12 air inlets and 5 air outlets
- Foamed-in fly net and removable visor
- Soft straps
- Passive safety through large-area reflectors

Urban-I 2.0 Neon neon orange L
