# Urban-I 4.0 champagne gold M

A CLASSIC. NOW EVEN BETTER.

Whether you commute to work every day, meet up with friends for a relaxed coffee ride or want to be safe and stylish at all times - the Urban-I 4.0 is the helmet for you.

Making sure that you are seen The Rear Light is now magnetic and rechargeable. As an elegant light strip on the rear of the helmet, it ensures 180-degree visibility in traffic - especially in the dark, at dusk or in bad weather. A real design highlight that emphasises the urban style of modern commuters. For a perfect fit

The second generation of our Zoom™ Spin adjustment system for urban helmets ensures even easier and better customisation to your needs: the design is more minimalist, operation of the adjustment wheel is smoother and the Ponytail Fit offers more space for long hairstyles.

The most popular comfort features of the previous versions are also back in the 4.0 generation:ulliMagnetic FIDLOCK fastener - closes reliably, opens conveniently with one hand/lili0ptimal ventilation - with 16 ventilation openings/lili Insect protection net - keeps flies and other insects away/liliWashable Comfort Pads - particularly durable and hygienic/li/ulRediscover one of our most successful helmets.

## Technologies

- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- Reflector Sticker: for better visibility in the dark
- Bug Mesh: keeps flies and other bugs off your head without messing with the helmet's ventilation

# Urban-I 4.0 champagne gold M

- Rechargeable, magnetic Rear Light: is attached to the back of the helmet using magnets and ensures greater visibility – can be charged with USB-C charging cable
- IP44: protection class that certifies protection against solid foreign bodies larger than 1 mm and against splash water for electronic products such as lights
- Two different light modes (Rear Light): Steady for continuous light and Flash for brightly flashing light in at short intervals
- Operating time per mode in h (min.): depending on the weather conditions and type of use, the available usage time of the light is at least 4 hours in continuous mode and in flashing mode at least 22 hours
- Battery charging time (light): the charging time until the battery is fully charged is approximately 1 hour
- Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
- Removable, washable pads: can be removed and washed by hand or replaced if necessary
- Clip on peak: removable peak attached with pins to protect against sunlight
- Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Magnetic buckle: the straps are fitted with a high-quality, magnetic FIDLOCK buckle to enable the chin buckle to be opened with one hand, even when wearing gloves
- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS) is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection
