

Junction Box for Wall Mount Mini Dome Black

Art.-Nr. TVAC32410X

Seite 1 von 1

The installation box is an optional accessory for IP Mini Dome cameras. In combination with a wall bracket, the installation box accommodates the connecting cables and thus allows protected, waterproof cabling indoors and outdoors. This provides the best possible level of protection for the cable, ensuring it is not affected by environmental factors or tampering.

Technologies

- For protected and concealed cabling
- Sturdy aluminium construction
- In different colours
