More protection for your rides

Whether for daily training, a quick after-work ride or a long tour - the ABUS MultiPlayer MIPS impresses with its low weight, comfortable fit and reliable protection.

Large ventilation openings ensure a balanced climate even on warm days, while the integrated MIPS system offers additional safety and can reduce rotational forces in the event of an impact. The adjustment system allows individual customisation and ensures a comfortable fit on every journey.

## Technologies

- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- Mips layer: thin plastic shell located between the inner padding and the energy-absorbing shell of the helmet to counteract rotational forces in the event of a fall
- Rechargeable, plug-in rear light (optional): the separately available light for better visibility is plugged into the back of the helmet and can be charged using a USB-C charging cable
- Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
- Removable, washable pads: can be removed and washed by hand or replaced if necessary
- Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged)

connection) for opening and closing

- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS) is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection

## Technical data - MultiPlayer MIPS shiny black M

Chin buckle	Push-in buckle
Finish	shiny
