1200/60 web black

Brightly-coloured ABUS lock in two lengths.

Practicability in everyday cycling: the ABUS Chain Lock 1200 Web is a low-priced chain lock designed for situations in which there is a low risk of theft. The number combination is set in the factory and included in the package.

The chain in this ABUS lock is made of specially hardened steel and is 4mm thick. It is encased in a textile sleeve to protect against scratches to your bicycle's paintwork if you chain it to lampposts, bicycle stands or to other bikes. The ABUS Chain Lock 1200 Web is also conveniently available in two lengths: 60cm and 110cm.

Technologies

- 4 mm thick rounded chain with textile sleeve to prevent damage to paintwork
- The chain is made of specially hardened steel

Operation and use

- Basic protection at low theft risk
- Recommended for securing low-range bicycles and children's bikes

Tips

- The 1200 is also available as a set (1200 Web colour) in the following colours (each packaging unit contains four locks in black, lime, orange and red)
