

KeyGarage™ 777 with shackle

20 KEYS OR 17 PLASTIC CARDS

With our KeyGarage™ 777 key box with bracket, up to 20 keys or 17 plastic cards can be stored very well.

Would you like to be able to store keys for family members, craftsmen, care services or holiday guests securely and hand them out flexibly? Then our KeyGarage™ key box could be a good solution for you. With an individually resettable number code via push button, you can access the keys inside and then safely deposit them there again. You can assign a number code of up to ten digits. The KeyGarage™ is attached with a shackle to door knobs or railings, for example, and offers space for up to 20 keys or 17 plastic cards.

Technologies

- Solid metal housing
- Locking cover made from zinc die-cast
- Code up to 10 digits individually resettable (the sequence of the code is irrelevant)
- Combination must also be entered for closing
- Plastic cover to protect against dust, dirt, etc.
- Fixing with shackle, e.g. on a door knob of gates and doors
- Can hold up to 20 keys or 14 code cards
- Outer dimensions of housing: 62 x 92 x 37
- Housing and shackle plastic coated (protects door from scratching)

Operation and use

- Ideal protected storage of keys and other valuables for authorised persons

KeyGarage™ 777 with shackle

Seite 2 von 2

- Quick and easy access for frequently changing groups of persons (craftsmen, service, holiday guests, apartment buildings, car rentals)
- Defining access by setting and passing on the code
- Fixing with shackle, e.g. on a door knob of gates and doors

Variants

- Colour: black-silver
- 767: KeyGarage™ For wall fixing indoors and in protected outdoor areas
