

## Technologies

- Flexible and comfortable fleece bonnet with ear protection
- Butt weld for comfortable wear

## Operation and use

- Fleece bonnet with ear protectors, which replaces the normal padding in the helmet and protects from the cold

## Tips

- As the bonnet replaces the normal padding, the helmet is also convenient for the winter time
- The integrated bonnet facilitates the helmet's fitting on a kids head for the parent
- The winter kit minimises health's risk through draught while riding a bicycle in low temperatures
- The kids kit is optimised for ABUS Smiley in its respective sizes
