

SIX ROMANTIC MOTIFS

Wedding anniversary, anniversary or just newly in love? Seal your love with our Love Locks!

With our love lock, you and your partner can express your feelings in a special way. Hang one on your favourite bridge, throw the key into the water and seal your affection. Our Love Locks are in the colour of love and, thanks to corrosion protection and a hardened shackle, last as long as true love - forever! Couples can choose from six motifs, a personal engraving with names and/or wedding date can be included on the reverse. Tip: For young parents, there's also the Baby Locks.

- Coloured aluminium lock body - corrosion-resistant
- Hardened steel shackle with NANO PROTECT™ plating for extreme corrosion resistance
