

Strike plate SBH hammerblow gold (LR 20)

HOME SECURITY

Front doors must be secure. A reliable strike plate is therefore part of the basic equipment.

In combination with a mortice lock, strike plates are part of the basic equipment for your house and flat doors in terms of security. This strike plate is suitable for DIN right and DIN left house front doors. It is made of high-quality steel, which makes it particularly robust and wear-resistant.

Technologies

- Steel strike plate

Operation and use

- For main entrance doors
- For DIN right and left doors
