

CONVENIENTLY MOUNTED

Universal additional lock to snap into the window frame.

Your windows should always be reliably secured. This additional lock is easy to install and blocks burglars from entering through your windows. The security device can be conveniently pushed into the window wing from above. There it locks, the window wing is blocked. The solid steel bolt works securely.

Technologies

- Solid steel bolt
- No drilling of the window / door panel
- Fitting on the frame only
- Solid fixing and robust construction

Operation and use

- Universal window and door protection
- Self-locking
- The bolt is inserted manually to secure windows and doors
- To open the window or door, the bolt is withdrawn

Variants

- Finishes: brown, white
