THIS DRAWER STAYS CLOSED

The universal latch JONAS ensures that drawers and cupboard doors are protected from the curious fingers of your offspring.

That way everything stays where it belongs. And the little fingers are not pinched either. Equipped with a 3M adhesive label, the universal latch is very easy to attach and remove.

Technologies

- The bolt can be opened from both sides
- Simple installation thanks to 3M adhesive tabs (included in the scope of delivery)

Operation and use

- Locks cupboard doors and drawers, and protects children from, for example, dangerous substances (medicines, cleaning agents) or other household items (scissors, knives etc.)
- For cupboards and chests of drawers
