KEEPS DOORS OPEN

Our doorstop LEIF is practical for at home and on the road.

Just hop, crawl or run across all the rooms? Of course! Our LEIF doorstop keeps all doors open for this - and is non-slip not only on carpet, but also on parquet floors and other smooth surfaces. It flexibly adapts to any distance between door and floor. And if you ever visit friends or go to a holiday home, simply take LEIF with you. The pinch protection also ensures that children's hands cannot get trapped.

Technologies

- Also secure on flat surfaces

Operation and use

- Prevents doors from shutting
