

# Edge guard JC3400A T0BI

Seite 1 von 1

## CUSHIONING AN IMPACT

T0BI corner guard is round, transparent and made of soft plastic.

Wild chases through the kitchen and the hallway and then off to the living room: Things can go wrong! To protect baby's head, arms and other sensitive body parts from worse, our transparent corner guard T0BI helps. Simply attach to table edges, chests of drawers, window sills and other sharp edges. Since it is transparent, it is hardly noticeable.

## Technologies

- 4 x edge guard
- Simple installation with 3M adhesive pad (included in the scope of delivery)

## Operation and use

- Protects against injury on edges
- For table edges, windowsills etc.
