

Stair adapter JC9203 HENRY

Seite 1 von 1

MOUNT WITHOUT DRILLING

With our Y-spindle HENRY

With HENRY, you can clamp our FINN stair gate to stairways easily and precisely. In this way, you can secure maisonette stairways in particular without having to drill during assembly. The assembly is simple and done within a few minutes.

Technologies

- Installation with no drilling required
- Simple installation: clamped on

Operation and use

- Y spindle in particular for staircases
- Use on stair spindles with a maximum diameter of 25 millimetres
