## EASY ASSEMBLY

With the Magnetolink® 8000 adhesive pad you can quickly and easily attach smoke detectors to any ceiling.

Purchasing a smoke alarm increases the safety in your home immensely. But for it to function reliably, it must be securely attached in the appropriate place. With this adhesive pad you will succeed. The self-adhesive element is attached to the ceiling, the respective smoke alarm can be docked on the other side of the pad by means of the magnet. The product can be used universally with ABUS smoke alarms.

---

## Technologies

- Self-adhesive ceiling unit and base unit for attaching to the smoke alarm
- Both units are magnetic
- Can be used with any ABUS smoke alarm

## Operation and use

- Quick and clean installation, without any drilling
  - Without the need for additional tools
  - Easily carry out regular function tests
-
