

VERSATILE

Universal additional window security lock for many areas of application.

There is a universal security solution for your windows, doors, flaps, floor and lift doors, skylights and caravans. This additional security lock with solid bolts. With a key, this fuse can be reliably locked with two square bolts. After assembly, all screws are concealed, which means that the fuse cannot usually be attacked with tools. It is mounted on the respective window wing. The strike plate is attached to the frame.
