

Secvest Power Supply, 12 V, 1.5 A

Art.-Nr. FU3822

Seite 1 von 1

Using the Secvest switching power supply, you supply the Secvest 2WAY components, such as the universal module and control unit, with power.

Technologies

- Suitable for the info module (FU8200) and (FUM050030)
- Indoor sirens (FU8230) and (FUSG50010)
- Universal module (FU8210) and (FUM050020)
- Control device (FU8110)
- GSM/PSTN dialer (AZ6302)

Technical data - Secvest Power Supply, 12 V, 1.5 A

AC voltage supply	100 – 240 V
Dimensions	(W x H x D) about 44 x 69 x 83 mm
Height	69 mm
Housing material	ABS
Length	83 mm
Max. humidity	85 %
Max. operating temperature	40 °C
Min. operating temperature	-5 °C
Net weight	0,19 kg
PSTI conformity required	No
Power consumption	450 mA
Width	44 mm
