

IR Illuminator MEGA LED L 9 m 940 nm

Art.-Nr. TV6826

Seite 1 von 1

Technical data - IR Illuminator MEGA LED L 9 m 940 nm

| | |
|-----------------------------------|-------------------------------|
| Battery activation | <2 lx |
| Beam angle horizontal/vertical | 60 / 40 ° |
| Current consumption | 1,500 mA |
| DC power supply | 12 V |
| Dimensions | (W x H x D) 110 x 100 x 51 mm |
| Height | 100 mm |
| Housing material | Aluminium |
| Length | 51 mm |
| Max. operating temperature | 40 °C |
| Min. operating temperature | -30 °C |
| Mounting | 1/4" tripod socket |
| Net weight | 0.717 kg |
| Number of LEDs | 98 |
| Optical wavelength | 940 |
| Power consumption | 18 W |
| Product group | Accessories |
| Protection class IP | 66 |
| Range at 0.01 lux | 17 m |
| WEEE group | 09 |
| width | 110 mm |
