

# Pinhole Super Mini Camera

Art.-Nr. TV7150

Seite 1 von 1

The pinhole super mini camera is a small, inconspicuous surveillance camera. Its small size (2.9 x 2.2 x 2.2 cm) and low weight (just 17.5 g) allow you to use it almost anywhere. The pictures are in color. The pinhole super mini camera is equipped with a 1/4" Super HAD CCD from Sony. The CCD element is extremely light-sensitive (0.05 lux). With 420 TV lines, the color pictures are top-quality. The integrated pinhole lens has a focal length of 3.7 mm, and the horizontal angle of vision is 51°. The pinhole super mini camera has BLC (Back Light Compensation), AGC (Automatic Gain Control) and AWB (Automatic White Balance). The protection class IP54 makes the camera dustproof and splash-proof. It is designed for indoor use.
