

# Super Mini Outdoor Camera 108°

Art.-Nr. TV7511

Seite 1 von 1

This rugged miniature is reliably protected against water and dust by a solid aluminum housing. Thus, it has protection class IP66. With a horizontal field of view of 108°, you get outstanding surveillance images in spite of the extremely small design.

## Technologies

- 1/4" Sony Super HAD CCD
- Integrated 1.6 mm pinhole lens
- Resolution: 480 TVL
- Horizontal angle of view: 108°
- Internal protection class IP66
- Automatic Electronic Shutter (AES)
