

# Ceiling mount frame

Art.-Nr. TVAC31440

Seite 1 von 1

The ceiling mount frame is an optional accessory for the Indoor IP Dome IR 3MPx (IPCA33500).

When the Indoor IP Dome is mounted in a recess, in the (suspended) ceiling, the mount frame will ensure the camera is stable in position. It also offers an optimum privacy shield, which ensures reliable monitoring indoors. Mounting accessories are provided.

## Technologies

- Compatible with IPCA33500
- Ceiling mount frame for indoor use
- Provides cover and protection when mounting on ceilings
- Cover made of white plastic
- Installation kit including mounting accessories
