- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
 - Reflector Sticker: for better visibility in the dark
 - Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
 - Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
 - Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
 - Removable, washable pads: can be removed and washed by hand or replaced if necessary
 - Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged connection) for opening and closing
 - In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS) is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection
